Bernhardt Consulting Co. Selected by the Colorado Foundation for Agriculture to Enhance the Organization's Fundraising Efforts

Albuquerque, N.M., (June 14, 2021) – The Bernhardt Consulting Co. has been selected by the Colorado Foundation for Agriculture (CFA) to assist the organization with its fundraising initiatives.

CFA is a 501(c)3 nonprofit educational corporation and works with industry partners to help meet a shared vision of advancing Colorado agricultural literacy in the next generation of consumers, citizens, and professionals. CFA provides Agriculture in the Classroom® resources and programs to Colorado educators and students.

"I am pleased to be selected to work for the Colorado Foundation for Agriculture," said Randy Bernhardt, president of Bernhardt Consulting Co. "We will work together to develop an organizational fundraising plan and to enhance their fundraising initiatives. Our work together will ensure a strong future for the organization."

The addition of CFA to Bernhardt Consulting Co.'s portfolio of clients, expands the company's impact on agricultural literacy in the United States. Bernhardt Consulting Co. also works for National Agriculture in the Classroom and the New Mexico Agriculture in the Classroom. Additionally, 2021 marks the 5th year that the Bernhardt Consulting Co. has been recognized by Seattle-based Expertise LLC as one of the top Albuquerque-based PR firms.

"We're pleased to be working with the Bernhardt Consulting Co.," said Jennifer Scharpe, executive director of the Colorado Foundation for Agriculture. "Currently, the Bernhardt Consulting Co. primarily focuses on working for agricultural nonprofit organizations. The company will provide invaluable support for the Colorado Foundation for Agriculture and will help us accomplish our organization's mission."

ABOUT COLORADO FOUNDATION FOR AGRICULTURE

Established in 1991, the Colorado Foundation for Agriculture is a 501(c)3 nonprofit education corporation that seeks to advance agricultural literacy through the Agriculture in the Classroom® program. Its mission is connecting Colorado educators and students to their food, fiber, fuel, and natural resources. Annually, the Colorado Foundation for Agriculture reaches more than 320,000 students and educators, across Colorado, in both urban and rural communities.
